

## SCHOOL VISITATION POLICY FOR SLAM ARIZONA PARENTS & FAMILIES

In accordance with Arizona law, current parents/guardians of students enrolled at the school may request to a campus visit, tour, or observe their child's classroom subject to the following parameters:

1. Parents/Guardians may request a visit, tour, or observe their child's classroom by emailing their request or by contacting the school at least 48 hours in advance of desired date.
2. The school principal, in his/her sole discretion, may waive the 48- hour advance notice requirement on a case-by-case basis.
3. Campus visit requests will be approved unless they threaten to interfere with the health and/or safety of students and staff. The principal may deny a visitation request if he/she deems that such visit, tour, or observation threatens the health and safety of students and /or staff. If a request is denied, the principal will notify the parent/guardian and the board representative in writing as to the reason for denial of such request.
4. During any approved campus visit, parents/guardians are subject to all policies applicable to campus visitors, including safety requirements for providing identification, signing in and out of the campus, and if applicable, being accompanied by school staff during the visit.

Parents of prospective students who wish to enroll their child in the school may request a campus visit/tour subject to the same parameters set forth above for parents of enrolled students. In addition, parents of prospective students will be required to be always accompanied during any campus visit by an employee of the school.
